DESCRIPTION

The villa is located in the Dorobanti district, which is an ultracentral luxury district, located in Sector 1, famous for the elegant mix between well-preserved interwar architecture and modern residential ensembles with premium finishes.

The wide streets, the mature trees and the proximity of parks such as Floreasca, Herastrau and George Calinescu create a green and sophisticated environment.

The community is selected, made up of expats, diplomats and entrepreneurs, who benefit from premium facilities: gourmet cafes and restaurants, luxury boutiques, wellness centers, top schools and kindergartens such as Caragiale College and Titu Maiorescu; Public transport is excellent – four metro stations and numerous bus lines connect the area to the city center;

Dorobanti offers a quiet, sophisticated and well-connected urban lifestyle suitable for demanding residents.
