DESCRIPTION

The Opus I real estate project is made in an extremely elegant and select area, in the historic district of La Condamine, only a few steps away from the Port of Monaco and the Place D`Arme square.
The apartment is located within a new residential building, 6 floors, built in neo classic style in one of the quietest areas of the principality.
The project is built by one of the most recognized and respected real estate developers in the Principality of Monaco.
The apartment is located on the 4th floor, has an extremely useful partition, having a living area, relaxation, dining, rest with kitchen and balcony, 2 bedrooms with 2 bathrooms.
