DESCRIPTION

Verdi Park Boutique Apartments is a premium residential development located in the Barbu Văcărescu – Floreasca area, one of the most dynamic and sought-after neighborhoods in northern Bucharest. Its prime location provides quick access to business districts, parks, shopping centers, and the city's main transportation routes.

The development offers a selection of 2, 3, and 4-bedroom apartments, duplexes, penthouses, garden apartments, and ground-floor retail spaces, all designed to support a modern, comfortable, and exclusive lifestyle.

Contemporary architecture, expansive floor-to-ceiling glazing, and efficient layouts create bright and functional living spaces. Spacious terraces complement every residence, providing the perfect setting for relaxation, while the elegantly designed common areas reflect the project's boutique concept.

Finishes & Features

Each apartment is completed with premium materials and high-quality equipment, carefully selected for durability, comfort, and refined aesthetics.

Aluminum window systems with large glazed surfaces and high energy efficiency.

Barlinek engineered three-layer hardwood flooring or equivalent.

Ceramic tiles by Marazzi, Porcelanosa, Florim, Ragno, or similar premium brands.

Villeroy & Boch sanitary ware and Hansgrohe fittings, or equivalent.

Flush (filomuro) interior doors and walls finished with premium washable paint.

Underfloor heating and concealed ducted air conditioning with discreet ceiling distribution.

Thermally insulated façade featuring basalt wool insulation and exposed brick, complemented by contemporary architectural details and ambient lighting.

Elegant common areas designed in line with the boutique standard of the development.
