

Barbu Vacarescu

CARACTERISTICS

► **AREA:** Barbu Vacarescu

DESCRIPTION

LAND FOR SALE – PRIME LOCATION, BARBU VACARESCU

Excellent investment opportunity located in the Barbu Vacarescu – Fabrica de Glucoza area, one of Bucharest's most dynamic and sought-after development zones.

Proposed project: 132 apartments, with a 3 basement levels + Ground Floor + 16 floors configuration.

Building permit currently under approval.

The land is ideally suited for residential development, benefiting from excellent access and strong development potential.

An attractive opportunity for property developers and investors.
